Alternative Opening Prayer: "You reveal yourself in the depths of our being,
drawing us to share in your life and love."

God is in relationship with his people and has been so from the beginning.

God the Creator loves his creation.

God is linked to us as a ground of all being.

At the same time, God is so inside us that he remains outside of our understanding.

The relationship between God and the world is so intense that God wrapped himself around a human body in Jesus Christ.

Jesus is the manifestation of God's love, and the work that the Son accomplished on earth - by his passion, death and resurrection - sealed that divine love forever.

If we want to know how much God loved the world, remember the works Jesus revealed as a sign of God's love - the healing, the forgiving, the raising to new life.

And if we want to know how much God loved the world, behold the wood of the cross, on which hung the Savior of the world.

God in the flesh: naked, bloody, and dead.

Jesus Christ is a character study of the unfathomable God. God cannot but love.

That Spirit of love can only overflow into the very creation that it continues to animate.

That Spirit is living and active here and everywhere because the love God shows for all creation in Christ is still vital and vibrant.

It is whispered in the hopes and prayers of all of us - a song of thanksgiving told in the Spirit.

God continues to love us in Christ through the Spirit.

How often we pray: We ask this through our Lord Jesus Christ.."

We do so throughout the ages and forever to the glory of God the Father, and through Christ his Son and by the work of the Spirit, in whom we live and breathe and have our very being.

God's perfect love knows no limits.

Deacon Steve

Protection from the Storm

God our Father, Creator of the Universe and Lord over all creation, we humbly stand before you as your children in thanksgiving for your loving care and protection. We ask that you keep us safe from all hurricanes which may threaten us in the coming seasons. Protect us from all fear and anxiety of storms and give us an ardent trust and hope in Your love and mercy. You alone have the power to command the sea, the wind and the rain. You alone bring peace, calm, and safety. Father, we thank you in advance, for you are our only Refuge. We ask this through Christ, Your Son, Who lives and reigns with you and the Holy Spirit, one God, forever and ever. Amen. Mary, Queen of the Apostles, and Patroness of our Diocese, pray for us.

SACRAMENTAL INFORMATION

Baptisms: Baptisms are celebrated twice each month. You need to come into the parish office to register for class. Ideally, preparation should begin during pregnancy. No confirmed dates are given before approval by the priest. In order to avoid disappointments, do not book travel plans with family, godparents, etc., until a confirmed date has been assigned at the conclusion of all stages of preparation. Parents needing annulments of marriages, or those not married, or those not married in the Church, will be assisted in addressing those issues before receiving a Baptismal date.

Marriages: You must be a registered and a supporting member of the parish for at least six months prior to your marriage. The date should not be set until a priest has been consulted.

Sick and Homebound: Please call the parish office to inform us of anyone hospitalized, homebound, or in need of the Sacraments.

I ask, again, that you keep the people of the Diocese of Juticalpa, Olancho, Honduras in your prayers.

7. Enterrar a los difuntos (continuación)

Jesús es el modelo de esta obra de misericordia. Sufre con los familiares, los consuela... Otros iban por curiosidad, otros para buscar motivos para acusarlo, pero pocos realmente estaban para confortar. Así pues, esta obra de misericordia va mucho más a fondo de lo que se puede pensar, y para cumplirla podemos ver a Jesús. Hay que recordar que, si bien lo más importante son las oraciones por los difuntos, no es superficial darles una sepultura digna en la medida de las posibilidades. Los que sepultaron a Jesús, lo hicieron con dignidad, a pesar de las prisas. No hubo grandes pompas pero sí dignidad. ¿Por qué, entonces, para el cristiano es importante una sepultura digna? Por muchos motivos pero solo mencionaré uno: "Somos templos del Espíritu Santo" (1Cor 6,19). No podemos dejar tirado algo que tiene un valor inmenso. Es verdad que ya no está el alma en el cuerpo pero estuvo, y un día llegará la resurrección de la carne.
