BAD WEATHER AND OUR OFFERTORY

For the first time in over a year our offertory was not only under budget but also less than last year. We believe bad weather this month was part of the reason. The offertory was actually under budget by \$8,400 which will have serious impact on our bottom line. If you were affected by the weather and unable to make your contribution last month, please consider adding it this month. This is another great reason to consider Online Giving as it protects the parish from these types of swings and at the same time affords you the opportunity to plan and budget your Gifts to our parish. Some parishioners take the cards from the rear of the church to say they give Online so they can share in placing their gifts in the baskets as the ushers pass the baskets. Thank you once again for supporting our parish!

SACRAMENTAL INFORMATION

Baptisms: Baptisms are celebrated twice each month. You need to come into the parish office to register for class. Ideally, preparation should begin during pregnancy. No confirmed dates are given before approval by the priest. In order to avoid disappointments, do not book travel plans with family, godparents, etc., until a confirmed date has been assigned at the conclusion of all stages of preparation. Parents needing annulments of marriages, or those not married, or those not married in the Church, will be assisted in addressing those issues before receiving a Baptismal date.

Marriages: You must be a registered and a supporting member of the parish for at least six months prior to your marriage. The date should not be set until a priest has been consulted.

Sick and Homebound: Please call the parish office to inform us of anyone hospitalized, homebound, or in need of the Sacraments.

Actividades de la Comunidad Hispana

1. Visitar y cuidar a los enfermos:

Invita a mirar a los demás «con los ojos de Cristo» La enfermedad llega, con o sin tarjeta de visita. El enfermo empieza un camino difícil. Primero intenta conocer qué está pasando. Luego busca los remedios para curarse, si esto resulta posible. En el camino de la enfermedad, ayuda y consuela encontrar manos amigas, consejos buenos, atenciones médicas adecuadas. Sufrir solos, aumenta el sentimiento de pena. Sufrir acompañados por quienes nos aman de verdad, alivia casi tanto o más que un calmante. De este modo, quien está sano, y también quien está enfermo pero todavía puede hacer mucho, ofrecen su tiempo, su cercanía, sus palabras (cuando son oportunas), sus cuidados, a quienes conviven durante días o meses con la enfermedad. La invitación de visitar a los enfermos viene del mismo Jesucristo. Primero, con su ejemplo: acogía y curaba a muchos enfermos que encontró a lo largo de su vida. Después, con sus palabras, al recordarnos que quien visita a un enfermo visita al mismo Cristo (cf. Mt 25,31-46).

Las Ventanas en el Año de la Misericordia 2:

Las ANGUSTIAS de las personas
Que las ANGUSTIAS de las personas que no viven tan felices como tú sean para ti un motivo de dar gracias a Dios. Tú podrías ser uno de ellos. Por ello mismo, en tu felicidad, pide para que los demás alcancen la dicha.
