## **Diocesan Services Appeal**

This week, you heard from Fr Andy and Sue Hutcheon about our 2019 Diocesan Services Appeal commitment of \$215,000. You heard that, although we did very well this last year, we were still short of our goal and our parish will cover the difference. Last year, almost 21% of our parish families participated in the Appeal, but we will need a lot more families to participate this year to fulfill our commitment. We ask that you prayerfully reflect on our bishop's message and discuss with your family your level of commitment. Thank you.

## Diocese of Palm Beach

9995 North Military Trail • P.O. Box 109650  
Palm Beach Gardens, Florida 33410-9650

Office of  
THE BISHOP

(561) 775-9595 Fax (561) 775-7035

February 16, 2019

Dear Sisters and Brothers in Christ:

At a priest's ordination the Bishop prays: "Together with us, may they be faithful stewards of your mysteries, so that your people may be renewed in the waters of rebirth and nourished from your altar; so that sinners may be reconciled and the sick raised up. May they be joined with us, Lord, in imploring your mercy for the people entrusted to their care and for all the world" (*Rites of Ordination*, 2<sup>nd</sup> Edition, USSCB).

The Diocese of Palm Beach is blessed to benefit from the dedicated priestly ministry of so many who have given their lives in joyful service to the Lord. Even after their retirement, many continue to labor tirelessly in the vineyard for the glory of God and out of love for the faithful. Eventually the burdens of age and infirmity take their toll and they are forced to withdraw from public ministry.

Each year the Diocese of Palm Beach has a second collection to assist the retired diocesan priests with the financial burden of advanced age and infirmity. Please remember to pray for our retired priests, especially those who can no longer minister publicly with their beloved parishioners because of age and infirmity. Your generosity is also greatly appreciated in the collection to be taken next weekend on February 23<sup>rd</sup> and February 24<sup>th</sup>.

Thank you for all that you do for the priests of the Diocese of Palm Beach. Your love and care provides them with great spiritual strength and courage to carry out the mission of the Gospel and to be faithful stewards of God's mysteries.

With gratitude for your continued generosity and every prayerful wish, I am

Sincerely yours in Christ,

Most Reverend Gerald M. Barbarito  
Bishop of Palm Beach

### *Seven Steps to Ethical Decision Making*

**Step 1: Define the problem** - First, explore the difference between what you expect and/or desire and the current reality. By defining the problem in terms of outcomes, you can clearly state the problem.

**Step 2: Seek out relevant assistance, guidance and support** - Resources can include people (i.e., a mentor, coworkers, external colleagues, or friends and family) as well professional guidelines and organizational policies and codes..

**Step 3: Identify alternatives** — Don't limit yourself to obvious alternatives. Be open to new and better alternatives.

**Step 4: Evaluate the alternatives** You should think through not just what results each alternative could yield, but the likelihood it is that such impact will occur., keep in mind that the more the evaluation is fact-based, the more confident you can be that the expected outcome will occur

**Step 5: Make the decision** a clear list of the alternatives that were considered and a clear rationale for the proposed solution.

**Step 6: Implement the decision** - The action itself is the first real, tangible step in changing the situation.. A decision only counts when it is implemented.

**Step 7: Evaluate the decision** The final test of any decision is whether or not the problem was fixed. Did it go away? Did it change appreciably? Is it better now, or worse, or the same? What new problems did the solution create?

### IV Domingo Ordinario: Aceptar las críticas

A Jesús intentaron matarle nada menos que en Nazaret. Habría sido aún más trágico de lo que resultó después su muerte en Jerusalén, que hubieran sido sus propios paisanos los que acabaran con Él. Ellos, con los que había jugado siendo niño y a los que, sin duda, tantos favores había hecho, estuvieron a punto de asesinarle. ¿Y por qué? Primero, por envidia, pues no se perdona a alguien que triunfa. Segundo, porque Él no hizo allí los milagros que ellos esperaban y que en el fondo se resumían en una sola cosa: verter a manos llenas la salud y la fortuna sobre sus vecinos. Tercero, porque Cristo se atrevió a lanzarles alguna crítica. También nosotros solemos actuar así: la envidia nos lleva a despreciar al prójimo y a sentirnos molestos con su éxito y alegres con su fracaso. Además, cuando el otro no nos da lo que queremos, nos olvidamos de lo que ya nos ha dado y nos alejamos de él. Y en cuanto a las críticas: la reacción de la mayoría es la de acallar la voz que nos dice lo que no nos gusta oír, tanto si tiene razón como si no la tiene, tanto si nos está diciendo las cosas en el momento oportuno y del mejor modo posible como si aún teniendo razón ha perdido los modos. Hagamos, pues, un esfuerzo de objetividad, para encajar las correcciones, seleccionando de ellas lo que nuestra conciencia nos dice que es verdadero, aunque nos cueste reconocerlo.
