Office of
THE BISHOP

Dear Sisters and Brothers in Christ:

Next weekend, the parishes in our diocese will participate in a second collection for World Mission Sunday, observed on October 24, 2021. World Mission Sunday is an annual commemoration of those who live the Gospel mandate to go out to all the world and announce the Good News. The collection supports more than a thousand local churches in Asia and Africa, the Pacific Islands, and parts of Latin America and Europe.

Pope Francis' message for World Mission Sunday this year reflects the theme: "We cannot but speak about what we have seen and heard" (Acts 4:20). He reminds us that, "as Christians, we cannot keep the Lord to ourselves," as we "recall with gratitude all those men and women who by their testimony of life help us to renew our baptismal commitment to be generous and joyful apostles of the Gospel."

By supporting this collection, we support the missionaries who minister in some of the most vulnerable communities around the world. May we all join with generous hearts and souls in support of this labor of love.

Thank you for your commitment to the faith and your prayers for World Mission Sunday. May God bless you and your families with every grace and peace and may our Blessed Mother always intercede for you.

With gratitude for your continued generosity and every prayerful wish, I am

Sincerely yours in Christ,

Most Reverend Gerald M. Barbarito
Bishop of Palm Beach

Office of
THE BISHOP

Dear Sisters and Brothers in the Lord:

October is designated as *Respect Life Month*, with the first Sunday, October 3, as *Respect Life Sunday*. This year is dedicated to St. Joseph who is a model of respect for life as the foster father of Jesus and the husband of Mary. Joseph's strong defense of the gift of life is experienced as we first encounter him in the Scriptures, when the angel appears to him in a dream and directs him to take Mary as his wife after she had conceived Jesus in her womb through the power of the Holy Spirit. St. Joseph reminds us of the need to give witness to life today in a world and society which has lost true respect for life, especially through the legal acceptance of abortion. When abortion is permitted, as is the case in our country, respect for life at every stage is forsaken and diminished. This year, as Catholics, we are deeply saddened as the present administration of our nation is one of the most aggressive in regard to the promotion of abortion. We realize our obligation to stand firm in opposition to this through all legal means available to us.

In a very recent video on adoption by Pope Francis during this year of the fifth anniversary of his Apostolic Exhortation, *Amoris laetitia*, he stated: "Every baby, in every case and in whatever situation, is to be welcomed because he or she is a child. Parents' love is the means by which God shows His love. He awaits the birth of every baby. He accepts and welcomes each child as they are. I want to say to every woman expecting a child: you are God's awesome instrument to welcome and offer a new life in the world." Pope Francis' moving words are a special reminder to us, on *Respect Life Sunday*, of our commitment to protect the gift of life on behalf of every person from the moment of conception until natural death.

During this *Year of St. Joseph*, let us renew our commitment to do all we can to promote respect for life at every stage. We and others live life to the fullest when we do so. I am grateful to all of the faithful within our Diocese who are such outstanding promoters of the defense of life.

With every prayerful wish, I am
Sincerely yours in Christ,

Most Reverend Gerald M. Barbarito
Bishop of Palm Beach

Another Look at Abortion

Read the full version at usccb.org/abortion.

If someone takes an innocent person's life after he or she is born, it's against the law; before birth (even minutes before, in most states), it's legal because of the U.S. Supreme Court *Roe v. Wade* decision in 1973.

Abortion results in the death of a child. For many, abortion causes severe and long-lasting emotional, psychological, and spiritual trauma, and other detrimental effects have also been documented. (For help, visit www.HopeAfterAbortion.org.)

So, what are we to do? The Church does not approach difficult pregnancy decisions with a false "either/or" mentality, pitting mother against child. We love them both! Learn more at www.usccb.org/abortion.
